**MOTION FOR REQUIREMENT
of ORDER DATE 17 OF MARCH 2006 COURT**

WHEREAS, on January 11, 2006, I filed a Motion to Stay on the basis that I filed a Motion for Reconsideration with the EEOC for not properly investigating the hire information needed to answer to my complain which is still under investigation. It would be injustice to the March 17, 2006 Order and to leave the Defendant appearance and responsive pleading by the Defendant.

Reason stated above, I would like this court to reconsider because the investigation is still in the process stages for the Interest of Justice. Reasons are: EEOC never investigated the ~~ALLEGED~~
~~herein; at~~ G.M., but from a letter sent to them from G.M. I spoke to official enforcement who advised me that they have the list and I am still waiting under the (Freedom of Information Act).

I am presently speaking to Department of Civil Rights about this case, information and the ~~EEOC~~ processing. This is my motion to stay because of the violations (EEOC).

P.S. Child support has all the dates of G.M. new hires, but I am not entitled to receive - but
EEOC can but choose not to investigate.
